ANGELS ARE FOREVER

Angel Food is more than a kind of cake! Angel Food is a remarkably generous ministry enabling those struggling financially to obtain \$75 worth of food for only \$30. This ministry was made possible by Joe and Linda Wingo and Shively Area Ministries partnering in this service.

Across the United States the Angel Food program provides food relief for more than 500,000 families each month. It is not to be confused with the SAM Club, but the food is just as good! Ms. G. knows how good the food is – she and her two sons are able to take advantage of the service by ordering the food they want through Shively Area Ministries and then picking up their food. She says one boy likes chicken tenders and the other prefers steak. Both are satisfied. Ms. G. wants her sons – both born in Michigan – to experience Southern hospitality. Angel Food fills the bill!

Payment is by cash, money order or food stamps, but Ms.G. has a double Angel who gives her the food order anonymously through her Church. She has nothing but praise for the program. “I couldn’t make it without Angel Food.” Angels appear at the times of need and many people in need are able to find help through the Shively Area Ministries Angel Food program. To inquire about the program, email janice.fryrear@insightbb.com or check out www.shivelyareaministries.com for menus, order and pick up dates.

Many thanks to everyone for your generosity with our auction event! You helped us raise over

\$7000.00!
